

a fantastic holiday season pdf

The Christmas season, also called the festive season, or the holiday season (mainly in the U.S. and Canada; often simply called the holidays), is an annually recurring period recognized in many Western and Western-influenced countries that is generally considered to run from late November to early January. It is defined as incorporating at least Christmas, and usually New Year, and sometimes ...

Tourism has become an important source of income for many regions and even entire countries. The Manila Declaration on World Tourism of 1980 recognized its importance as "an activity essential to the life of nations because of its direct effects on the social, cultural, educational, and economic sectors of national societies and on their international relations."
