Dramatic literature, the texts of plays that can be read, as distinct from being seen and heard in performance.. The term dramatic literature implies a contradiction in that literature originally meant something written and drama meant something performed. Most of the problems, and much of the interest, in the study of dramatic literature stem from this contradiction.

New Criticism. A literary movement that started in the late 1920s and 1930s and originated in reaction to traditional criticism that new critics saw as largely concerned with matters extraneous to the text, e.g., with the biography or psychology of the author or the work's relationship to literary history.
