You will find several resources on this page that can help you learn the powerful, open-source program, Blender. With the 5th edition of the Blender Basics book comes new content.

Drafting and Design Technology / BLENDER RESOURCES
Cycles has come a long way since we first saw that super cool train demo from Brecht back in 2011, but how does it compare to other path tracing renderers available today? Well in this post, I put cycles to the test against 5 other render engines that can be used with Blender: All the rendering was ...
