A real estate broker or a real estate agent is a person who represents sellers or buyers of real estate/real property. While a broker may work independently, an agent must work under a licensed broker to represent clients. Brokers and agents are licensed by the state to negotiate sales agreements and manage the documentation required for closing a real estate transactions.

Real estate broker - Wikipedia

Real estate appraisal, property valuation or land valuation is the process of developing an opinion of value, for real property (usually market value). Real estate transactions often require appraisals because they occur infrequently and every property is unique (especially their condition, a key factor in valuation), unlike corporate stocks, which are traded daily and are identical (thus a ...
