

dictionary of similes metaphors pdf

A simile (/ ˈsɪməl ɪz) is a figure of speech that directly compares two things. Similes are a form of metaphor that explicitly use connecting words (such as like, as, so, than, or various verbs such as resemble), though these specific words are not always necessary. While similes are mainly used in forms of poetry that compare the inanimate and the living, there are also terms in which ...

An extended metaphor, or conceit, sets up a principal subject with several subsidiary subjects or comparisons. In the above quote from As You Like It, the world is first described as a stage and then the subsidiary subjects men and women are further described in the same context.. In rhetoric. Aristotle writes in his work the Rhetoric that metaphors make learning pleasant: "To learn easily is ...

Back in the darkest days of my PhD, I started blogging extracts from the thesis as it was being written, particularly the literature review. It helped keep me motivated when I was at a very low point, and seemed to be of interest to readers who were unlikely to read the whole 300-page PDF or indeed the publications. Possibly because of the amount of useful terms in the text making them very ...
