Management Tips. All biology teachers should start the year by having students and parents/guardians sign a "Student Safety Contract" .I have included an optional "Web Page Permission" form in the Word version in case you have a class web page in which you would like to include pictures. It can easily be deleted.

The following is a list of people who are considered a "father" or "mother" (or "founding father" or "founding mother") of a scientific field. Such people are generally regarded to have made the first significant contributions to and/or delineation of that field; they may also be seen as "a" rather than "the" father or mother of the field. Debate over who merits the title can be perennial.

The importance of Antun Lucic - Anthony F. Lucas for the development of petroleum engineering worldwide is analogous to that of Nikola Tesla (also born in Croatia) for the development of electrical engineering.. As to his nationality, it is often mistakenly described as Austrian, and sometimes even Italian (like in Who is Who in America, where there is also another mistake - that he was born ...
