Principles of Adult Learning The elements within are largely covered in the resource – Staff training best practices, – but this is a different format for some of that information, which people may find helpful.

Adult Learning Theory - Vision Realization

History. The principles of Catholic social teaching, though rooted in the Old Testament custom of the Jubilee, first began to be combined together into a system in the late nineteenth century. Since then, successive popes have added to and developed the church's body of social teaching, principally through the medium of encyclical letters.. Rerum novarum ...

Guidelines for Designing Effective English Language

Communicative language teaching (CLT), or the communicative approach, is an approach to language

teaching that emphasizes interaction as both the means and the ultimate goal of study.. Language learners in environments utilizing CLT techniques, learn and practice the target language through the interaction with one another and the instructor, the study of "authentic texts" (those written in ...
