- [Tiffany] Welcome to Nintex Workflow for Office 365. This course is designed to get you up to speed on how to automate approval workflows beyond the capabilities that are available to you in SharePoint out of the box. The trouble with workflows is that they require a developer to write them, and these days it typically falls to the SharePoint site administrator to create their solutions.

SharePoint Workflow Automation: Nintex - lynda.com

Prior to SketchUp, I just made designs with pencil and paper and a couple of general computer applications that were not intended for furniture design.
