This paper is a guide to responding to children and young people's disclosures of abuse. It outlines what we know about how, why, and when children and young people are likely to disclose and suggests actions to take at the time of disclosure and in the longer term.

Responding to children and young people's disclosures of

General. Around the world, the English terms youth, adolescent, teenager, kid, and young person are interchanged, often meaning the same thing, but they are occasionally differentiated. Youth can be referred to as the time of life when one is young. This involves childhood, and the time of life which is neither childhood nor adulthood, but rather somewhere in between.

1.1.3 Assess all children and young people who enter the UK as unaccompanied asylumâ€”seeking children for attachment difficulties once a stable placement has been found, and offer interventions and support if needed. Take into account that, in addition to attachment difficulties, children and young people who enter the UK as unaccompanied asylumâ€”seeking children are highly likely to have ...

Childrenâ€™s attachment: attachment in children and young

Information technology risk, or IT risk, IT-related risk, is a risk related to information technology. This relatively new term was developed as a result of an increasing awareness that information security is simply one facet of a multitude of risks that are relevant to IT and the real world processes it supports.
